JULY 2016 - SEPT 2020

SKILLS

HTML | CSS | JAVASCRIPT | TAILWIND | NODE.JS | EXPRESS | REACT

SOFT SKILLS

- Decision Taking
- Grit
- Time Management
- Planning

PROFESSIONAL SUMMARY

Responsible, hard working full stack developer with a great attitude towards learning and self confidence. Always curious to try new things. Adaptive in any work environment. I believe that learning is similar to seeds, how they grow into big trees, with powerful roots. Similarly learning basics of code makes thing easier to learn the advance concepts .

ACCOMPLISHMENTS

- **Creator:** Working model of JCB and 3D Printer
- **Organizer:** Organized an event in my society to make people aware about encephalitis syndrome.

INTERESTS

- Playing Chess, Table tennis and Cricket
- Workout
- Creating something either a working model or any machinary

PROJECTS

YESSTYLE

Yesstyle is an e-commerce site involved in the beauty and wellness section. Yesstyle give trending styles clothing .

Features:

- Dropdown Menu
